# MEET THE BOARD

---

The mission of the Rogers Public Education Foundation is to enhance the quality of public education in our community by collecting and distributing funds for worthwhile academic programs -- programs that would not normally be funded through conventional means. This investment in our schools funds outstanding educational initiatives that are having a positive impact on the success of our students.

# rpef 2019 MERWIN GRANT RECIPIENT

## JEFF BELK ROGERS HIGH SCHOOL

In his will, local outdoor enthusiast George Merwin left a portion of his estate to the Rogers Public Education Foundation with the directive that the money should “provide teacher grants in the area of outdoor education.” Mr. Merwin was passionate about sailing and water safety, and he annually opened his boat dock and its facilities to student groups.

In February, the fourth annual George Merwin Outdoor Grant in the amount of \$30,000 was awarded to Jeff Belk, physical education teacher at Rogers High School.

The grant, entitled “Outdoor C.A.R.E (Conservation and Recreation Education)” will fund an incredible amount of equipment including a climbing wall, climbing pads and ropes, harnesses, helmets, kayaks and a trailer, water filters, sleeping bags, camping chairs, and more. Through this project the Outdoor Education program at Rogers High School will become more innovative, and encourage students to step out of their comfort zones and grow as individuals.

George and Elinore Merwin
